

## Crashes Include Fatality, Pedestrians

**Mrs. Saksa Killed By Train; 15 Injuries, 28 Weekend Mishaps**

The Quad-City area's 25th traffic fatality of the year occurred Friday evening when Mrs. Evelyn Marie Saksa, 31, of Bend road, was killed by a train in East St. Louis, and the toll of 15 injuries here included two pedestrians struck by cars.

With 28 accidents recorded, the weekend list includes two today in which injuries resulted. A Madison area woman, Mrs. Evelyn Marie Saksa, 31, of Bend road, mother of two children, was killed about 4:30 p.m. Friday when her auto was struck by a train in East St. Louis. Her death is the 25th traffic fatality for the Quad-City area this year.

Mrs. Saksa, a native of Madison, was returning home from the Hunter Packing Co. where she was employed as a switchboard operator. The accident occurred at the crossing on Exchange avenue, two blocks away from the packing firm.

Police were told she was following three other cars around lowered railroad gates, when her car hit by a Pennsylvania Railroad passenger train traveling about 40 miles an hour.

She was pronounced dead on arrival at St. Mary's Hospital, East St. Louis, after being extricated from the demolished car.

Mrs. Saksa, a member of St. Mary's Catholic Church, had been married for three years. Her husband, Vincent, is a salesman for Glask Wood Co., also in East St. Louis.

Other survivors are a son, Tommy, and a daughter, Teresa, of the Bend road address; three brothers, Harry Helstad of Henderson, Ky., and Charles of Long Island, N. Y., and Charles Helstad of Phoenix, Ariz.; four sisters, Mrs. Theodore (Norma Jean) Skoldo and Mrs. Joseph (Rosalee) Stern, both of Madison, and Mrs. James (Sarabelle) Corbin and Mrs. Thomas (Nadine) Ryan of Granite City; her mother, Mrs. Rose Elmore, and stepfather, Jack Elmore of Granite City.

Funeral arrangements are being handled by the late Mrs. Ben Hitt by Car, Leg Broken.

A kindergarten pupil, five-year-old Michael Francis, was hospitalized with a fractured left leg and concussion Friday afternoon when he was knocked down by an auto at 26th and State streets. The boy, son of Mr. and Mrs. Richard Francis, 2529 Edison avenue, was on his way home from Sacred Heart school.

The motorist, Lyndon Darnett, 21, of 2246 Delmar avenue, took the injured boy and his mother to St. Elizabeth Hospital. He told officers he was driving north on State street and saw two boys standing near the curb about 40 feet from the corner and then heard an impact at the right front of his auto. He stopped and saw the boy lying in the street.

Mrs. Francis said her son was crossing the street to join an older boy. The older boy notified her of the mishap.

Michael also suffered scratches.

## City Tax Problems May Be Solved

**Court Test Proposed To Clarify Legality Of Existing Rates**

(Picture on Page 23)  
Municipalities in Madison county may or may not be out of the woods with tax rate problems.

Mayers and city attorneys meeting here Thursday evening were told by Assistant State's Atty., Burton Bernard that State's Atty. Dick H. Mudge would authorize County Clerk Miss Eulalia Holtz to extend existing tax rates, if the office is consulted.

Miss Holtz, who previously had said she planned to cut municipal tax rates back to the 1951 level set by the Hodge-Butler act, announced Friday she would seek an opinion from the state's attorney's office. The mayors had Thursday night delegated the duty to Madison Corporation Counsel Austin Lewis to urge Miss Holtz to seek the opinion.

Expect Tax Objections  
While the opinion would be favorable to the cities, permitting them to set taxes rates in many instances over the 1951 limitations, Miss Holtz said objections to last year's rates in a number of municipalities are now being received at the court house, and she could expect a flood of others with extension of the same rates for 1961.

"There's a lot of controversy on this and as many opinions as there are lawyers," she remarked.

Miss Holtz, who normally does not begin work on tax rates until January, told the Press-Record she plans to write to Mudge today seeking the opinion. She explained the proposed tax rate return to the 1951 year would not involve all municipalities in all cities. "I know everyone is disturbed about this, but the only thing I can do is follow statutes."

During the meeting, it was brought out that prior to 1951 cities were advised to file returns and ordinances with the county, setting forth tax rates.

## Festival Of Giving

Girl Scouts of the five neighborhoods comprising the Tri-City Girl Scout Council presented 113 Christmas food baskets to local charitable organizations yesterday afternoon at "Festival of Giving" programs held at the Granite City high school gymnasium and the Madison Memorial center.

About 2000 persons were on hand at the GCCHS gym at 2 p.m., where Neighborhoods Two, Three, Four and Five presented baskets to William Harris, representing the Protestant Welfare Association, and Rev. Charles Mulcrone, representing Catholic Charities.

The program opened with a flag ceremony by Troop 34 of

Neighborhood Two, followed by a welcome by Mrs. George Eubanks, council president.

Representatives from each troop in Neighborhood Two trimmed a large Christmas tree with decorations made by the girls themselves, and caroling was presented by Neighborhood Five, with Jack Johnson at the organ.

Each of the neighborhoods presented program numbers, including Christmas greetings from Hawaii and Germany, details of Christmas celebrations in Mexico, and Christmas greetings from the world over. Mrs. Lody Milkovich was general program chairman.

Madison Ceremony  
At the memorial center in Madison a similar program began.

## Nestle Co. Rebuilding To Start Early in '62

**Production To Resume Late Next Year With Work Force Of 70**

Reconstruction of the Nestle Co. instant coffee plant, destroyed last August in a disastrous explosion, is scheduled to begin early next year with production to be resumed late in 1962, it was announced today by Dr. John C. Sluder, Nestle vice-president in charge of manufacturing.

Detailed construction plans are being completed at the firm's main headquarters at White Plains, N. Y., and local Manager L. R. Causey said a call for bids should go out within a short time.

The replacement building, which is designed with an independent steel frame and brick facing to match the undamaged building, will contain the most modern installation of roasting and processing equipment for the production of instant coffee, Causey said.

Upon completion, the plant will begin operations with the same staff of 70 employees as prior to the explosion, and production capacity will be greater.

At the present time, only the office staff, plant maintenance crew and operating engineers are on the job at the plant, located at 21st and Adams streets. In the Aug. 9 explosion, which occurred about 1 p.m., two employees of the Nescafe plant were killed and six others were hurt. The multi-storied production building was virtually leveled.

2 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

## Food Baskets For Needy Campaign Opens—56 Lights Burning On 'Tree of Lights'

(Picture on Page 13)

Well ahead of last year's start, the Salvation Army "Tree of Lights" beamed brightly with 56 lights for donations of \$141 at the start of the annual campaign Saturday afternoon.

This year, the 23-foot tree is located at Niedringhaus and

Madison avenues in Memorial Park with 180 lights to be turned on to reach the \$450 goal to provide Christmas food baskets for needy families in the Quad-Cities.

The first light was turned on by Jesse Brown of Gary, Ind., former Illinois president of the Fraternal Order of Eagles, who with St. Clair Shupper, represented the local Eagles Lodge which annually conducts a canned goods drive for the Salvation Army "Tree of Lights."

Community Good Will  
The speaker, Atty. Randall Robertson, stressed the community-wide good will created by the "Tree of Lights." If we light all these lights, we'll have a promise to aid in need in the Quad-Cities.

Robertson was introduced by Henry D. Karandjoff, local banker, who is chairman of the Salvation Army's special Christmas committee. He explained that drive chairman, Gene H. Sternberg, an international vice-president for the Optimist Club, was attending a board meeting in St. Louis and was unable to be present.

Eugene R. Burnett, president of the SA board of advisors, was master of ceremonies and called upon Board Member Roy Lynn and Capt. Mildred Walker to give the prayers. Christmas carols were sung by the SA Songsters, Guards and Sunbeams, accompanied by the SA brass band.

Capt. Walker explained a light is turned on with each \$25 donation to the drive. Donations for families to apply for a basket is Dec. 11 and Capt. Walker said about 500 have been received. The Salvation Army again is serving as a clearing house for all basket distribution, and she urged organizations wanting to give baskets to notify the office.

Undergo Surgery  
The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Kathryn Rusick, 2583 Boyle avenue; Zetta Mel, 1927 Harris street, Madison; Huldah Griffith, 2632 Iowa street.

## Skeleton Of Woman Found Near Slough

**Robbery Report, Burglaries, Many Weekend Thefts**

Venice police are investigating a report by Joseph Logrosso, East St. Louis driver of a delivery truck for a St. Louis firm, that he was robbed at gunpoint of \$220 at 3:30 p.m. Saturday by a man who entered his truck while it was parked in Venice.

Logrosso said he left the truck at 115 Hampden street about 3:30 p.m. Saturday while making a delivery there. When he returned a man placed a gun in his back and forced him to drive to Eagle Adams and turn to the Horseshoe Lake area.

The man, whom Logrosso said he could not identify, then took the cash, including about \$47 in company funds, from his shirt pocket, the driver told police.

Police said entry was gained by kicking a piece of cardboard out of a basement window. Ella said the window had been broken recently. Footprints on kitchen cabinets resembled those of a small child.

Two Fled For Theft Of Boots  
David Davis, 18, of 1908 Fifth street, East Madison, and Charles Nichols, 18, of 2303 East 23rd street were fined \$100 and costs each by Edwardsville Justice of the Peace Earl Vuagniaux Saturday on petty larceny charges based on an alleged attempt to steal a pair of boots from the Poor Boy John store on Myssap 46. They were taken to the county jail pending payment of the fines.

Brass Wire Stolen  
Theft of an undetermined amount of brass wire from the yard of Union Starch & Refining Co. was reported to police at 2:10 a.m. Saturday.

Grover McCoy, 42, of 2029 Bryan avenue, was served with a petty larceny warrant today, charged by Union Starch & Refining Co. and pleaded guilty, being sentenced to 60 days in the county jail. The sentence was suspended and he was placed on one-year probation.

Unidentified Coins Taken  
An undetermined amount of coins and cigarettes were taken by thieves who broke open a cigar vending machine at a laundromat on Myssap 46. The thieves were taken to the county jail pending notification of the office.

Police were notified late yesterday that a woman from the Mitchell area had been missing about four months, but she has a false upper plate. Several teeth were missing from the upper jaw of the skull.

Dead Woman, Dead 6 Months  
Deputy Coroner Pieper said the skeleton probably was that of a woman five foot, eight to 10 inches tall, and that she had been dead at least six months.

The scattered skeleton was found about 250 feet off the slough in a small wooded area about 30 feet north of the property of the Egyptian Radio Club by five children of Mr. and Mrs. Carl Allen of Chouteau Slough road.

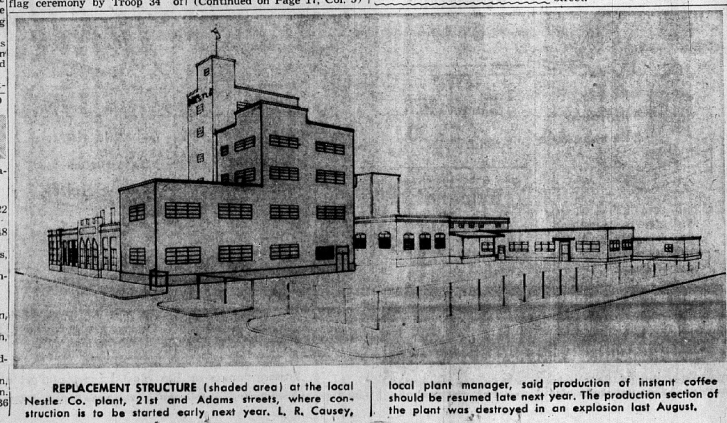

The oldest, Frank, 16, told the Press-Record he and his brother and sisters had gone for a walk along the Chain of Rocks canal and were returning home, walking through the woods. "We do that all the time," the youth said.

They had just entered the small thicket about 4:30 p.m. when they discovered the skull and other bones and ran to a nearby house to summon aid.

Pieper and Mudge were to the scene with deputies and because darkness set in, the area was roped off and a guard posted. Rain hampered today's investigation, but additional bones were discovered, scattered leaves. Pieper said it was impossible to determine if the body skeleton was buried, but a search is underway for a shallow grave that might have been dug up and discarded.

All local police authorities are checking their files for missing persons. Also being checked are nearby homes and several taverns in the area.

## CD Emergency Supplies Shown By Local Grocers

In connection with National Civil Defense Day Thursday, anniversary of the Japanese attack on Pearl Harbor in 1941, local grocery stores are featuring displays of essential emergency food and other supplies this week as suggested by the Office of Civil Defense.

In a letter last week, Granite City CD Director George W. Schumacher urged the grocers to help proclaim the importance of Civil Defense in our nation's total defense effort.

"There has been a great deal of publicity about the horrors of a possible nuclear war, but not enough about the positive steps which can be taken to reduce or avoid some of the horrors," Schumacher said.

"Thermonuclear attack is not something we must accept helplessly, but something we can combat in advance with knowledge and materials already at hand."

"We seek your assistance in alerting the community to one of the basic rules of family preparedness — stocking a two-week supply of food in each home — by displaying such an exhibit of food and accessories during the week of Dec. 4-9."

Attached to the letter, the grocery operators received a list of foods and accessories calculated to sustain comfortably one adult for a two week period as recommended by the National Office of Civil Defense. Other essential and desirable supplies were also listed.

The list includes 41 cans of assorted fruits, vegetables, and meat and cheese, plus such items as coffee, dry cereal, crackers or cookies, jelly and other foods, six bottles of soft drink and at least three gallons of water.

### Mrs. Kalinka Evanoff Found Dead Saturday

Mrs. Kalinka Evanoff, 63, of 4402 Randall place, St. Louis, a former Granite Cityan, was found dead at her home at 10 a. m. Saturday. Her death was unexpected.

Mrs. Evanoff, a native of Sofia, Bulgaria, resided in Granite City 16 years before moving to St. Louis 16 years ago. Her husband, Constantine, who survives, is a St. Louis tavern operator.

Other survivors are two sons, Stephen of St. Louis and Alexander of Albuquerque, N. M., and a daughter, Miss Helen Evanoff of St. Louis.

An obituary notice is given elsewhere in this issue.

### First Meeting Of New Mitchell Cub Scout Pack

First meeting of a new unit, Cub Pack 341, being formed at the Mitchell United Presbyterian Church was held Thursday evening at the church. A second organizational meeting was set for 7:30 p. m. Friday, Dec. 8, at the church, and Rev. John DiGiacomo, pastor, urged attendance by parents of seven-year-old and eight-year-old boys.

Parents and prospective Cub Scouts viewed a film, "What Is Cub Scouting?" It was shown by District Scout Executive Dan Brown.

## 656 County Election Judges Pass, 5 Fail

Commissions for service as election judges were mailed by County Clerk Eulalia Hotz last week to 656 persons who satisfactorily completed a newly required training course and examination. Five persons failed to pass.

Both the official commission and acceptance form and a certification card were sent to each one along with Miss Hotz' written congratulations and instructions. The 656 are qualified to serve at election polls from now until September 1963. First countywide election for them will be the April 10 primary.

With 880 needed for 170 precincts, additional training and tests are planned in February. Those failing now may participate again, as well as those appointed to fill vacancies.

Though additional vacancies are anticipated by April, no persons will be tested, Miss Hotz said; a polling place staff will be recognized if one or more judges have qualified through the training. There were many judge vacancies at the time of the Nov. 13-16 examination period.

## Roy Lynn Retires At American Steel Plant

Roy Lynn, 2636 State street, a 42-year employee at American Steel Foundries here, retired Friday from his post as safety director. His successor is Frank Milnarek, 2541 Benton street.

Lynn, whose wife teaches at Niedringhaus school, said he plans to remain active in a number of local organizations. He is a member of the Salvation Army advisory board; treasurer of Protestant Welfare; a Boy Scout merit badge council member and a deacon at the Third Baptist Church where he also is superintendent of the No. 2 Sunday school department.

## Madison Crash

Cars driven by Ronald Ellis, 1701a Edison avenue, and Holden Parkinson, 1215 Fourth street, collided at 12th street and Madison avenue at 5:30 p.m. Friday when Parkinson turned onto Madison from 12th. There was minor damage to the Ellis car which was going east of 12th.

## Arrested After Crash

Marvin Lee Parker, 23, St. Louis, was arrested for careless driving and no operator's license following a crash on the east approach of McKinley Bridge at 4:15 a.m. Sunday. Police also listed damage to the auto of James Johnson, 25, St. Louis. Parker was released on cash bond.

still can maintain a reasonable rate for its proposed system if the municipality the size of Venice does not participate, but not if Granite City or East St. Louis fails to join.

"I think this will be fully resolved by or shortly after the first of the year," he said.

## \$15,000 Tax Issue

Mayor Lee told the council of a meeting of mayors last week on tax problems created by possible application of a lower tax rate for cities, Venice would lose only about \$15,000 a year, "because we have been living close to the rates, anyway," he noted.

"Union Electric Co. and the railroads have insisted on the lower rates," the mayor pointed out, "and we couldn't exist without their tax money."

He said he feels the matter should be brought to a court decision, however, and believes industry would be willing to abide by the higher rates pending such a ruling, provided it comes within a year.

"I don't think any industry wants to come from a bankrupt town," he explained.

## Ban Outdoor Toilets

The council passed an ordinance prohibiting outdoor toilets in the city. Eventual removal of existing units will be required by the measure, which provides a \$25 to \$100 fine for property owners found in violation.

The bill was introduced at the Nov. 3 council meeting. When Mayor Lee said he wanted Venice residents to have an opportunity to voice an opinion on it before passage, little comment on the proposal, either favorable or unfavorable, has been expressed, Dr. Lee said, Friday night.

A payment of \$1150 to the New York firm of Hardesty and Hanover for engineering work on deck openings in the main truss area of McKinley Bridge was authorized, as was payment of \$82 from the bridge replacement and improvement fund for publication costs.

## Crossing Hearing Wednesday

Dr. Lee said he, Juneau, a d City Clerk William E. Ebersole will appear before the Illinois Commerce Commission at a hearing Wednesday on the Kerr street and Main street railroad crossings and possible construction of a traffic underpass or overpass at the Broadway railroad crossing.

Police Chief Frank DeWitt told the council the department will initiate special measures to afford added protection against

## Robbery and Theft during Christmas Shopping Season

In addition to increased patrols by police squad cars, DeWitt said, plainclothesmen will be placed on the streets. The added measures will remain in effect until after the first of the new year, the chief said.

The council authorized the fire and water committee to purchase 450 feet of 2 1/2-inch fire hose and 200 feet of 1 1/2-inch hose.

Chief DeWitt reported 60 November arrests and \$545 in fines and court costs.

## Miss Joyce Teetor Bride Of Airmah Gary W. Pryor

White gladiolus and greenery decorated the altar of the Trinity Tabernacle, 2001 Sixth street, Friday evening for the wedding of Miss Joyce Ann Teetor, daughter of Mrs. Edith Teetor, 2023 Fourth street, Madison, and Airmah third-class Gary W. Pryor, son of Mr. and Mrs. William Pryor, who reside at 2608 East 27th street.

Rev. C. M. O'Guin officiated at the double ring ceremony at seven o'clock.

The white-carpeted aisle was lighted with two pink spotlights and burning tapers in candelabra at the sides of the aisle. The bride's father, Willis Kitcher, escorted her down the aisle, giving her in marriage.

She was attired in a bridal gown of white chiffon and brocade, designed with a scoop neckline, fingertip sleeves that came to points at the wrists, and a tight-fitted bodice. The front of the bodice was encrusted with iridescent.

The bouffant chiffon skirt, held wide with a hoop, was ruffled around the edge. Cycles of matching iridescent were near the hem of the skirt. The top of the skirt, starting at the waist, was an overlay of brocade which came to deep points at the neckline at the sides and back.

The bouffant veil, fingertip length, was held securely to a high princess crown of pearls and crystals which formed a point in front with a tear drop.

The bride's bouquet was of white carnations, centered with a white orchid. Orange blossoms and Stephanotis formed the cascade, which was tied with a large white satin bow, streamers and net.

Miss Linda Mason was maid of honor. Miss Mildred Dacus and Miss Sandra McCoy were bridesmaids, with Patricia Teetor and Ricky Peck, niece and nephew of the bride, as candlelighters. Mary Barr, cousin of the bride, was the flower girl and Kevin Pryor, brother of the groom, was ring bearer.

The maid of honor and bridesmaids were gowned in Kelly green brocade and white chiffon ballerina-length gowns, which had tight-fitted bodices, rounded necklines, sleeves and bouffant skirts worn over crinolins. White headbands of pearls and sequins topped circular veils of green matching the gowns. Pastel green carnations and orange blossoms tied with Kelly green and light green ribbons, net and streamers made up their bouquets.

The flower girl and candlelighter wore mini green chiffon over satin. There were rounded necklines, cap sleeves, very full skirts with three-inch ruffles, and sashes of matching green, each coming to large bow in the back. The headpieces were fashioned like those of the bridesmaids.

A white basket of red rose petals was carried by the flower girl, who dropped petals from

the basket as she proceeded up the aisle. The candlelighter wore a corsage of carnations tied with the matching colors.

A satin heart-shaped pillow held the rings. The groom, David Pryor, the groom's brother, served as best man, with Frank Witchen, brother of the bride, and Frank Fleming as groomsmen. William Smoak and Eddie Cherry, ushers, seated the guests.

Mrs. Teetor, mother of the bride, chose a bright blue silk print sheath dress. Black accessories were worn to complement the attire. A corsage of carnations with blue velvet leaves was pinned at her shoulder.

The groom's mother, Mrs. Pryor, was attired in a beige knit sheath trimmed with gold, with brown accessories. Mrs. Pryor's corsage was made up of carnations and brown velvet leaves.

The wedding music was furnished by Mrs. C. M. O'Guin at the piano. The soloist, David Armour, sang "Because," "I Love You Truly" and "The Wedding Prayer."

A reception was held in the basement of the church immediately after the ceremony for those in attendance at the wedding.

The young couple departed for a honeymoon in the Ozarks. Upon the return, the bride will continue to reside with her mother while Mr. Pryor returns to the Chanute Air Force Base, Rantoul, Ill.

The bride is a graduate of Madison high school and is employed as a secretary at a St. Louis office.

The groom, prior to entering the service, was employed by his father at the Modern Painting Co. as an interior decorator. He studied interior decorating in East St. Louis.

## Christmas Program For WCTU Meet

Miss Marguerite Barker and Mrs. William Schooley were co-hostesses to the Woman's Christian Temperance Union at a meeting Friday evening in the Barker home, 2615 East 24th street, for a Christmas party.

The meeting was called to order by Mrs. Schooley, president, and the salute to the flag was led by Miss Elva Miller, Christian citizenship chairman.

Mrs. Luther Turnbull gave the devotion, a Christmas story and monthly reports of the officers and department secretaries were heard.

A Christmas program given by Miss Barker consisted of pictures and songs of Christmas in other countries and a Christmas story.

Mrs. Ross Carlson, wife of the pastor of the Free Methodist Church, was a new member welcomed after admiring refreshments were served.

The home was decorated in keeping with the Christmas season and a brightly lighted tree stood in the dining room. The tea table, presided over by Mrs. Schooley, was lighted with red candles. It held the silver tea and coffee service and a centerpiece filled with small tree ornaments. Refreshments also were in keeping with the holiday.

Twenty were in attendance, including several new members, added to the roll during a recent membership contest.

**NEW OFFICERS  
PRESIDE AT MEETING**

A stated meeting of New Hope Chapter 432, Order of Eastern Star, was held Friday evening at the Masonic Temple with the newly installed officers in charge.

Mrs. Marie Hoekstra, worthy matron, and Loy Chiam, worthy patron, presided in the East, and Mrs. Beas Weiss, junior past matron, was guest of honor.

Plans were made for the annual Christmas party.

**LEAVE FOR WEST**

Mr. and Mrs. A. G. Noonan of Los Angeles, Calif., formerly of Granite City, left Saturday for the west after spending the past two months with their son and daughter-in-law, Mr. and Mrs. Noonan, 2449 Cleveland blvd. They will be guests over the Christmas holidays of Mrs. Noonan's brother, C. W. Noonan, and Mrs. Noonan, in Palm Springs, Calif., before going on to their home.

## Presbyterian Church Scene Of Konieczny-Vig Wedding

Bouquets of white Fuji mums decorated the sanctuary altar of the First United Presbyterian Church, 22nd street and Delmar avenue, providing the setting for the seven o'clock wedding Saturday evening of Miss Alice Vig and Mr. Zigmund E. Konieczny.

Miss Vig is the sister of Mrs. Marie Turner of North Troy, N.Y., and Mrs. Albert C. Toile of St. Louis, and is the daughter of the late Mr. and Mrs. Sander Vig. Mr. Konieczny's parents are Mr. and Mrs. Joseph Konieczny sr., 1854 Edwardsville road.

Long tapers bordering the center aisle and gracing the altar were illuminated by the two candlelighters, Miss Diane and Barbara Sellers, the groom's nieces. Kenneth L. Mac Clatchey, church organist, played an appropriate selection of wedding music. Rev. David B. Maxton heard the couple's vows.

The bride, who was escorted by her brother-in-law, Mr. Toile, wore a white nutmeg shade gown, styled with a form-fitting bodice, modified bateau neckline, elbow-length sleeves and a bell-shaped skirt. Her pleated brocade headpiece was a pillbox covered by a candlelight-hued illusion veil reaching the shoulders.

The bride carried white Fuji mums, casually arranged in an arm sheath.

Miss Vig's attendants were Mrs. Toile, who served as matron of honor, and Miss Ruth Stoyanoff. Their gowns of peacock blue and antique coin were fashioned similarly to that of the bride.

They also carried arm sheaths of lace Fuji mums. Mrs. Toile's was a chocolate color and Miss Stoyanoff was in russet edged with gold.

# Comanches Catch Warriors Napping; Score 55-43 Win In Cage Kickoff

Cahokia's Comanches did not get off their first shot until more than three minutes had elapsed Friday night, and could not score from the field until just 38 seconds remained on the first period clock. But they managed to put together a sort of offense in the final three periods which spelled a 55-43 basketball victory over shaky and inexperienced Granite City.

It was the opening game of the season for both clubs, and each had trouble getting started. The Warriors never did get a full head of steam.

**Early Lead Vanishes**  
The Redmen, thanks to Cahokia's inability to find the basket early, led 10-7 after the first quarter. Earl Lee's host team got off only 31 shots in the final three quarters, but hit 17 of them and had taken command shortly after halftime, which ended with Cahokia leading 35-28.

Forward Burton Bruce helped Cahokia break things open in the third quarter, hitting for 12 points in the Comanches' outscored GC 20-12, moved ahead 39-32.

The Warriors never were able to crack the Comanche zone with any effectiveness, since no one held a hot shooting hand from outside. Center George Moore who played better than three quarters of the game despite a knee injury which has not completely healed, led GC with 16 points and played the boards with authority.

But the Redmen got into foul trouble early, and the only real help Moore received in the scoring department was from Vic Buehler, who tallied seven and set up several more with crisp passes.

Doing the most damage for Cahokia in the late game was Jim Thorpe, a guard who appeared nearer to mid-season form than anyone else on the floor. Thomas contributed 40 points in the last half, including eight straight free throws.

**Dunbar Wins Fourth Straight Game, 51-26**  
Dunbar grade school's fast-breaking eagles, using a pressing defense and engineering numerous "steals," made Dupro their fourth straight victory Thursday night in Madison 51-26.

Forward Dale Turner poured in 25 points for the undefeated Dunbar squad, which scored 24 points in the final quarter. Theodore Porter hit 11 points for the winners, who play at Belleville Dec. 8.

Dunbar's "B" squad also kept its slate clean by winning the preliminary contest, 30-21. Sammy Smith scored 13 points and Mac Darden added 11 to the winners' total.

**Venice GS Wins Again; Cage Record Now 5-1**  
Increasing its winning record to 5-1 Thursday night in Hartford, the Venice grade school basketball team stuffed in 18 points during a good third period and went from there to a 46-37 win over the host team.

Howard Black scored 19 points for Roger Davis' club, and Richard Eastington added 14 more. Venice had a 20-14 halftime advantage.

The VGS "B" team easily won the preliminary game 42-22, outscoring Hartford 32-24 in the third quarter after moving to a 19-12 halftime lead. Gred Pueni had 11 points for the winners, who are 4-2.

The "A" team will give Venice a 2-1 record in the "B" County conference. Another conference game is on tap tomorrow evening in Bethalto.

NINE-GAME HOME SEASON for Granite City's basketball Warriors will begin tomorrow night when Andy Sullivan's varsity hosts Roxana in an 8:15 game. Hoping to get off on the right foot at Memorial gymnasium are (seated, left to right) Dave Paoli, George Brink, Jim Proffitt, Larry Lilley, Vic Buehler, Perry Tayan, Larry Noblin and Glen Hoffman. Standing are Manager Mike Jesse, Grant Takemjian, Elton Hall, George Moore, Larry Wortham, Charles Papp, Bill Boyd and Manager Jim Cant.

## Warriors Begin 20-Meet Mat Schedule Tomorrow In Ferguson

Granite City high school varsity wrestling Coach Bill "Red" Schmitt is not a man to let his squad have any doubts on his laurels. Not that he and his players had not won on past laurels. Not that he and his players had not won on past laurels. Not that he and his players had not won on past laurels.

But continuing effort by him and Assistant Coach Bob Whelan — just like that being put forth this afternoon in the final practice session prior to the opening of the season tomorrow at 4 p.m. in Ferguson, Mo. — is one reason why the Warriors are perennially considered one of the toughest prep mat squads in downstate Illinois.

And this season, at least, the Redmen will take a back seat to no one where opponent scheduling is concerned.

Last fall and winter the squad competed in 17 dual meets, winning 16 of them and another Northwestern conference title. It repeated as the champion of the Association district and sectional titles before finishing the season in a fourth-place tie at the state tournament.

This year the schedule has been expanded to include 20 dual meet opponents, plus Granite City's own holiday tourney. Those dual meets will include such Missouri high school powers as defending state champion Ritenour, Riverview Gardens and O'Fallon Tech, plus the only squad to defeat GCHS last season, Waukegan.

Schmitt also considers Ferguson's Comets as tough opposition, particularly so early in the season when the Warriors appear to have problems at light and heavyweight positions, where injuries and graduation have taken their toll.

Likely campaigners at 4 p.m. tomorrow include Tom Tindall (112), Roger Bloodworth (127), Buddy Feichlin (133), Sam Fazio (138), Eldon Poole (143), Bob Cruse (154), Charles Haug (165) and Bob Kary (180).

**Draper Sparks 1st Assembly's Victory; 2nd Baptist Wins**  
Paced by John Draper's 28 points, First Assembly of God triumphed at City Park, Tabernacle 83-25 Thursday night in park district Church League play.

Bud Gossnell added 18 and Paul Hollis and Charles Miller scored 13 points apiece for First Assembly. Lee James led the losers with 12 points.

In the second game, the rebounding strength of Second Baptist proved too much for St. Joseph as the latter team bowed 59-49. St. Joseph took a 16-4 first-quarter lead but was unable to keep pace with the taller opponents.

Norm Grote and Rich Franklin were high for second Baptist with 16 and 12 points, while individual game scoring honors went to Harry Neuling of the losers with 20 points. August Beerra contributed 10 points to the St. Joseph attack.

**Madison, Coolidge Split Basketball Doubleheader**  
Madison and Coolidge junior high schools divided a basketball doubleheader Thursday afternoon in Madison, with Coolidge edging the host team 33-31 in an eighth grade game after Madison had won the seventh grade contest 33-25.

The Coolidge eighth graders rallied from an 8-14 halftime deficit to win. Larry Ripka paced the winners with 8 points, while Steve Shipoff had 11 for Madison.

Don Nowicki topped Madison scorers in the first game with 13 points. Madison led 17-11 at halftime, holding Coolidge to four points in the final two quarters.

Both schools are at home for games tomorrow. Coolidge hosts Collinsville at 4 p.m. and Madison plays East Alton at 8:30.

**Braves Open Season With 58-29 Victory Over Prather Cagers**  
Coolidge junior high school's ninth grade basketball squad scored superior height and rebounding Thursday afternoon in running up a 58-29 final advantage over Prather JHS on the losers' court.

The Braves had opened up a 20-15 lead by halftime of the first game of the season. Forward Chuck Mizerski rimmed 22 points and Joe Haugman at center added 15 more to the victors' total. Don Lupardus led Prather with eight.

Coolidge continues the season with an afternoon game tomorrow at Edwardsville, while the Chiefs play at 4 p.m. today in Cahokia.

## Lincoln Rams Top Highland; Play Tonight, Wednesday

Lincoln of Venice wasted little time Friday night in its season home opener in picking up where it left off a year ago. Coach Stan Lynch's rapid-fire offense showed signs of mid-season form as his Lincoln high school Rams trampled St. Paul of Highland, 82-52.

The Rams will play in St. Louis tonight and Wednesday. Led by Center Tom Hall, who was an all-district performer last year, the Rams broke a 10-0 tie with one minute to go in the first quarter and literally ran away with the verdict.

Hall, who was in foul trouble at the intermission with three sat out the entire third period and four minutes of the final stanza. He still managed to pump in 15 field goals for 30 points. Teammate Bob Chavis contributed 27 points on 13 field goals and one charity toss. Frank Kolscher led St. Paul with 26 markers.

Other Lincoln scoring was accounted for by Charles Hatter, 12, Johnny Marchbank seven, Isaac Brown four and Billie Hatter, two.

"It was very pleased with their performance," said Lynch. "We played the type of game we wanted to play." He pointed out that Highland had a slight height advantage, but the Rams out-rebounded their opponents 27-21. He praised the defensive play of Charles Hatter and Edgar Buckles by saying, "We had those two boys accounted for at least 20 of our points."

Lincoln journeyed to St. Louis tonight to meet Vashon in an 8:15 contest. Lynch reported that he is not sure how strong tonight's foe is, but "Wednesday night's game at St. Louis-Summer will be the toughest contest of our entire season."

Summer, which will lose most of its starters at mid-season graduation, has a first five that averages 63 per man. "That's an inch taller than our biggest boy," remarked Lynch. He indicated that for both road games he will go with the same starting lineup that whipped St. Paul. He has given the nod to five seniors. Hall at the center post, Chavis and Brown at forwards and Charles Hatter and Buckles at the guard positions.

## IHSA Relaxes Eligibility Ruling For 19-Year-Olds

Illinois high schools may start football practice almost a week earlier than in the past, beginning next fall, and a step athlete who reaches his 19th birthday during the fall, winter or spring sports season will not be ineligible to compete in his current sports season, the Illinois High School Association has ruled.

By a vote of 410 to 235, high school principals dealt away with the controversial ruling in effect for the past two years which made an athlete ineligible to compete past the date of his 19th birthday, according to A. Willis, executive secretary of the IHSA.

The new age limit ruling is still somewhat tentative.

An athlete who turns 19 between Aug. 25 and Dec. 10 becomes ineligible to compete on Dec. 10. A 19th birthday occurring Dec. 11 through April 10 makes the individual ineligible on April 10, and if the 19th birthday occurs April 11 or later, the athlete remains eligible for the remainder of the school year.

Revision of football practice dates was authorized by a vote of 419 for and 220 against. Willis reported.

Initial drills next fall may begin two Wednesdays before Labor Day, instead of on the first Monday preceding the holiday, which means that practice may begin next Aug. 22, instead of Aug. 28.

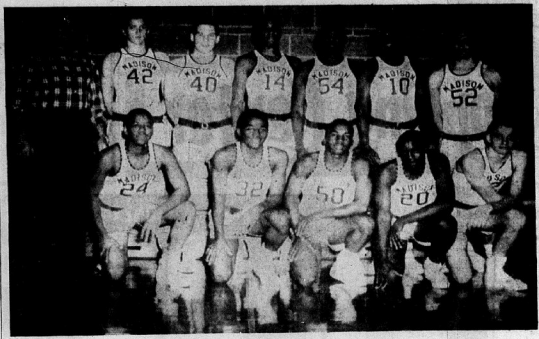

## Top Scorers in Park Girls' Bowling Program

High scorers Saturday at Big Top Bowl in the park district's junior high school bowling leagues for girls were:

Northern League — Phyllis Hagauer 153, Janis Schumacher 136 and Sandra Brown 135. Southern — Ann Rutledge 150, Sodoma Britter 141 and Joyce Short 132. Eastern — Sharon Koch 145, Cindy Lou 137 and Kathy Zellerman 129. Western — Caroline Bertacchi 167, Patti Skubish 143 and Carole Loman 140.

## Teenage Loop Openers

Four of the five basketball teams participating in the Little City park districts' Senior Teenage league will open the season Wednesday night at the Nameok school gym, with games at 7 and 8:15.

## Pressing Defense, Hustle On Boards Help Venice Tip Taller WMA, 71-50

"We did everything better," Venice basketball Coach Bill Ohlendorf beamed Friday night after his Red Devils had made believers out of a taller and more experienced Western Military Academy club 71-50.

Statistics backed up the Venice coach's statements concerning the game, which resulted in VHS's first win in three tries this fall. The Devils shot better from the field (37% than in any previous encounter, and used a pressing man-to-man defense so effectively in the early stages that they ran to 7-0 and 12-1 leads. The first quarter score was 17-7.

Devany Rins 30. Holding an especially hot hand for the winners was Don Devany, who plunked them in from all over to the tune of 30 points. "But we had better teamwork, too," Ohlendorf remarked. "We were checking off the boards

real well, and that made a difference since they were much much bigger than we are."

The first-year mentor expressed his greatest pleasure in Venice's defense. "I really think we're ready now for Wescelin," he said. The Devils began Madison-Clinton-Macoupin counties conference play in Venice against the Trenton club tomorrow at 8 p.m.

Prior to Friday night's score had allowed opponents to score at the rate of 84.4 points a game, and had dropped two contests by a total of 68 points.

## Press Effective

The Red Devil players, all seniors, never did recover from the initial contact with Venice's press. Each time WMA showed signs of coming back, Venice again threw on the press. By halftime, VHS led 34-22, and the third-quarter advantage had

been stretched to 20 points, 55-35.

Sophomore Phil Kunz, the Raider's 6-5 pivotman, had a good night with 23 points, but the inexperienced squad of Paul Suverkrup—none of the seniors are lettermen—could not give Kunz much support.

Jerry Cicio of Venice hit in double figures for the third straight game to give Ohlendorf's crew good scoring balance. The Venice junior varsity picked up a victory in the preliminary contest, 53-49, with Larry Miller scoring 14 points and Kenny McMullen 11.

The varsity scoring: Venice—Don Devany 30, Jerry Cicio 19, Jay Shamara 8, Pete Fields 7, Jim Ebersoldt 4, Dan Moad 2, Larry Miller 1. WMA—Phil Kunz 23, George Fields 8, Bill Kaune 8, Chuck Smith 3, Mike Doucette 3, Dick McKandless 2, Dave Haasheim 2, Ed Touchie 1.

## Daybreak Optimists Hear Baseball Scout

Chuck Weiss, physical education instructor and coach at Coolidge junior high school and Pirates baseball club, spoke on "What a scout looks for, and the qualifications required to become a professional baseball player" before the Daybreak Optimist club Saturday at the YMCA.

The occasion was the annual Optimist father and son breakfast, attended by 12 members, 10 sons and one guest, President Fred Schwartz presided.

Weiss told his audience that a baseball scout looks for speed, a good throwing arm, long ball hitting power, good size and good hands in prospects, and that the "average" ballplayer, not the no-hit pitcher or slugger star, usually has better potential.

Saturday's gathering also heard a recording of the 1961 Optimist oratorical contest, presented by Robert Butler. Optimist again will sponsor a similar contest in 1962. The theme is to be the "Creative Force of Optimism."

## Supt. Trimpe To Speak At MHS Grid Banquet

Wilbur R. L. Trimpe, Madison county superintendent of schools, will be guest speaker at Thursday night's Madison high school sports banquet, sponsored by the Lions club of Madison, to honor the Trojan football team which posted a 6-1-1 record and captured an undisputed Midwestern Conference crown this year.

Nineteen Trojans will be presented letters by Coach Glenn Pickering, Ken Griggs and Norm Stawar, who were selected by their teammates to share the team captaincy and most valuable player award also will be honored. Pickering and Assistant Coaches Joe Asperger and Bob Page will introduce the following letter recipients:

George Russell, George Stuart, Wally Weidner, Ervin Mueller, Stawar, Sam Dymas, Don Freeman, Mike Graybill, Griggs, Ed Petty, Terry Andrews, Richie Hamilton, Walt Cooper, Charles Venarsky, Charles Kosek, Calvin Jackson, Tony Evansoff, John Onesty and Delbert Clemens.

Individual recognition has been given to Petty, Griggs, Graybill, Stawar and Dymas, who were named to the Press-Record's fourth annual all-conference team as selected by the league coaches. Petty also has been named to all-district and all-Southern Illinois team this year.

Walter Cooper and Weidner gained berths on the all-Midwestern conference second team, and Ed Petty, Freeman, Stuart and Griggs were named honorable mention.

### Sacred Heart, Central Split Pair Friday

Central and Sacred Heart grade schools split a pair of non-conference basketball games Friday night at the Prather junior high school gymnasium. Central rolling up a 56-19 final score in the semi-grade contest, and Sacred Heart's Falcons squeaking out a 37-35 win in the eighth grade meeting which followed.

The Falcons held a 20-17 lead at halftime in the second game, which was nip and tuck all the way. Greg Wozniak led the winners with 10 points, while Prather's public school eighth graders scored eight for Central.

The win was Sacred Heart's fifth straight after the club had dropped its first two contests.

Central's seventh graders, with a 14-11 height advantage, were never in trouble in the first game. Terry Moore popped in 22 points for the winners, who led 35-10 at halftime. Joe Krivi scored nine for the Hearts.

Sacred Heart has scheduled a doubleheader at Edwardsville Lutheran Wednesday at 7 p.m., while Central meets Edwardsville public school at Prather Wednesday at 6:30 p.m.

## Williams May Go At Guard In Bradley's Home Opener

"He's fast, a good ball handler, has a good head on his shoulders and could bust into the starting lineup," Coach Charles K. "Chuck" Orsborn of Bradley's Braves said concerning Granite City's Rich Williams as the Peoria basketballers prepare to begin their home season Thursday night against visiting Northern Michigan University.

The 5-10 sophomore was the second-leading scorer last season on a Bradley freshman squad which ran up an 11-4 record. Williams hit 281 points for an 18.7 game average, scoring on 55% of his field goal attempts and 84% of his free throw opportunities.

"He should be just the man to break up any zone (defense)," Orsborn continued, echoing statements made in this area when Williams was an outstanding performer with the CHS Warriors, feared most by opposing coaches because of his outcourt shooting ability.

Fans will remember his winning of the Southwestern conference scoring title as junior year, and his floor leadership the following spring when the Warriors upset Collinsville in the final game of the IHSA regional tournament — at Collinsville.

Williams definitely holds a court on the Brad traveling squad, which means local fans can see him in action against the Peoria varsity when the Braves plays a Missouri Valley conference game in St. Louis March 1.

Apparently Burns and Ferguson feel the coach's request will be granted. "Fergie" was elected captain of the varsity squad for 1962 last week.

In his junior year at Iowa, the bulldozing halfback made the All-Big Ten team and was named to Look magazine's All-American squad. He was a definite candidate for the team to honor this fall until the injury put him out of the lineup.

Contingent upon a Big Ten conference ruling, Madison's Larry Ferguson will play another year of football at the University of Iowa.

An all-conference and all-state selection during his prep days at Madison high school, Ferguson missed all but a portion of the first game on Iowa's schedule this fall due to a leg injury. Hawkeye Coach Jerry Burns said he will ask conference officials to grant Ferguson another year of eligibility due to that fact.

## Wood River Downs Prather Team 55-33

Held to just four points in a cold third quarter, Prather's high school's ninth grade basketball team lost in Wood River Friday afternoon, 55-33.

Wood River led 28-20 at halftime and finished with a 19-point fourth quarter. Robert Allen led scorers for the winners, Gary Morris had 12 for Prather, which is now 0-3 and plays at 4 p.m. today in Cahokia.

## Two-Car Collision

Two westbound cars on 20th street collided at the railroad crossing Friday at 11:05 p.m. Wesley E. Bhop, 26, of 2401 Ohio avenue, told police that an auto stopped in front of him and as he stopped his car was struck from the rear by a vehicle driven by Harold Wilson, 18, of 1005 Bissell street.

MR. AND MRS. MATTHEW BARNES. Their wedding took place Saturday afternoon at City Temple. A daughter of Mr. and Mrs. J. J. Hayes, 3253 Wayne avenue, the bride is the former Phyllis Jean Hayes.

## Miss Phyllis Jean Hayes, Matthew Barnes Are Married

Miss Phyllis Jean Hayes, a daughter of Mr. and Mrs. J. J. Hayes, 3253 Wayne avenue, and Matthew Barnes, a son of Mrs. Opal Barnes, 2244 E. 14th avenue, were married Saturday afternoon at the City Temple, 1917 State street.

Rev. Ray Randolph officiated at 2 o'clock, and a reception was held directly afterward in the basement of the First Assembly of God Church, 24th street and Grand avenue.

White gladioli and iron pens, against a background of greenery decorated the sanctuary. Mrs. Edward Collins presided at the organ and accompanied the soloist, Mrs. Dan Knapp, as she sang "Together as One, the Way We Tread," and "Wedding Prayer," and the bridegroom, who sang "Hawaiian Wedding Song." Also accompanying on the Hawaiian guitar was Dan Knapp.

The bride was given in marriage by her father. She wore a gown of Chantilly lace and tulle. It was designed with a scooped, scalloped neckline outlined with iridescent sequins. The fitted bodice of lace which came to a point in the front had long tapering sleeves and a full, gathered skirt made of tiers of tulle in the front, and a lace overskirt scalloped down the sides and held wide with crinoline and a hoop. A fingertip veil of illusion, was attached to a pearl crown and the cascade bridal bouquet was made up of white carnations centered with a ruffled orchid corsage.

Miss Barbara Shelton was maid of honor, serving with Miss Shirley Ross, a cousin of the bride, and Miss Barbara Barnes, a sister of the bridegroom. Bridesmaids, and Brenda Hayes and Dennis Ross, cousins of the bride, flower girl and ring bearer.

Edward Collins was best man for Mr. Barnes and Dick McGuiness, Larry Hayes, the bride's uncle, David Krull and

## PTA Area Council Plans Dinner

A meeting of the Area PTA Council was held Thursday evening at McKinley school with Mrs. Kathleen Tuleck, president, in charge.

Plans were made for an appreciation dinner at the high school and a tentative date was set for Feb. 24. A committee was appointed to receive the award at the dinner.

After the pledge to the flag and the PTA prayer, led by Homer Johnson, the reports of the secretary and treasurer were given and the proposed by-laws were read and approved.

The program for the evening in charge of Mrs. Lucille Cahin, consisted of group discussions on PTA and ways of bettering relationships between the parents and teachers.

Refreshments were served by McKinley school and announced the next meeting to be held Jan. 11 at Wilson school was made.

## Mrs. Schill Is Hostess For Club

Members of the Thursday Afternoon Bridge club gathered at the Rose Bowl for their meeting the past week. They were guests of Mrs. J. T. Schill and a dessert course was served before the games.

The winning scores were held by Mrs. Roy Barney, Mrs. August Michel, Mrs. Rose Fuger and Mrs. W. H. Troper and plans were made for the next meeting in the home of Mrs. E. C. Strunk, 1335 Jill avenue.

## THURSDAY EVENING CLUB MEETS

The Thursday Evening Bunco Club met last week with Mrs. Angie Hartman, 1415 Niedringhaus avenue.

The winning scores were held by Mrs. Mary Forcade, the hostess, Mrs. Marie Rehmund, Mrs. Kathryn Smithson and Mrs. Alice Koesterer. The hostess served refreshments to the above and to Mrs. Celeste Lowe and Mrs. Myrtle Ryan. Plans were made for a Christmas party and gift exchange on Dec. 14 at the Stop Light restaurant.

## Judith Georgeff, Walter Whitaker Exchange Vows

The wedding of Miss Judith Georgeff and Walter Whitaker took place Saturday afternoon at 2 o'clock at the VFW Hall, 20th street and Washington avenue. Miss Georgeff is the daughter of Mr. and Mrs. Samuel B. Georgeff, 1008 Washington avenue, Madison, and Mr. Whitaker is the son of Mr. and Mrs. Walter C. Whitaker, who reside at 3360 Rockwood avenue.

Police Magistrate Andrew Garvey Jr. performed the ceremony at an altar decorated with bouquets of gladioli, pom poms, greenery and candelabra.

The organist, Mrs. Edna Hoesley, accompanied the soloist, Miss June Nightingale, as she sang "Because" and "The Lord's Prayer."

Miss Georgeff was escorted by her father, who gave her in marriage. She wore a gown of white silk and tulle with a train. The bride's bridesmaids were light and airy, wearing white and pink. The groom wore a tuxedo.

## Ballhorn-Kubelka Nuptials At St. Elizabeth's Church

St. Elizabeth Catholic Church was the scene of the wedding Saturday morning of Miss Mary Frances Kubelka, a daughter of Mr. and Mrs. Frank Kubelka, 3205 Wilshire drive, and John David Ballhorn Jr., whose parents reside at 2825 Wayne avenue.

Rev. John Franklin performed the ceremony at 10 o'clock before the altar adorned with bouquets of white pom poms, gladioli and greenery.

Given in marriage by her father, the bride wore a gown of imported Chantilly lace over satin. It was designed with scalloped, sabrina neckline etched with sequins and long tapering sleeves. The skirt swept into a wide train and a veil of illusion was held in place with a tiera of pearls and sequins. Her flowers were white carnations and orange blossoms in a cascade center with a corsage.

Miss Pauline Kubelka, the bride's sister, as maid of honor, Miss Linda McCollegan, bridesmaid, and Victoria Kubelka, another sister of the bride, junior maid, were dressed alike in ruby red velvet gowns made on princess lines with three-quarter length sleeves and ballerina skirts. Matching bands of velvet and tulle were in their hair and they held nosegays of red and white carnations.

Donald Cook was best man.

STANWITZ-ROBERTSON NUPTIALS ANNOUNCED

Announcement is made of the marriage Thursday in St. Louis of Mrs. Gayla Robertson, a daughter of Mr. and Mrs. Bruce Wortman, 2451 Washington avenue, and Joseph H. Stanwitz of Pearlburg, Va.

The ceremony was performed at the Civil Courts building by Judge Wayne Felder and the couple plans to reside in St. Louis. Mr. Stanwitz is a traveling representative for a St. Louis firm and his bride is employed by a St. Louis radio station.

Group singing was led by Den One, and Dens One and Two presented magic acts. Refreshments were served by Den Two to approximately 75 boys and parents.

MARRIED IN CIVIL CEREMONY

Miss Barbara Unterstall of Normandy, Mo., and Joe Lawrence, 1937 Grand avenue, were married Friday afternoon by Judge George Berry of Alton. The couple is residing at the Grand avenue address. Mr. Lawrence is employed by the Air Products & Chemical Co., Inc., 2204 Monroe street.

RETURNS FROM HOSPITAL

Thomas Duckworth, 20-month-old son of Mr. and Mrs. Harold Duckworth, 2319 Washington avenue, returned this morning from Jewish Hospital, St. Louis, where he underwent an emergency hernia operation Saturday.

#### CHRISTMAS LESSON AT ISABEL BEVIER MEETING

The Isabel Bevier unit of the Madison County Home Bureau held its December lesson meeting Thursday evening at the home of Mrs. Lillian Ruebhausen, 4016 Rode avenue. The center lesson was given in place of the regular November lesson to enable the lesson to be used by the members at Christmas.

The unit chairman, Mrs. Irene

Dawes, conducted the business meeting and yearbooks for the 1962 season were distributed. She read a monthly paper from the home advisor's office in Edgewood, giving lesson dates for the month and county and district meeting dates.

Mrs. Margaret Fifield, 4-11 chairman, reported that two girls from the local clubs were sent to the state fair in August and were presented with awards. They are Jane Pauli and Linda Kozar. She explained that the Home Bureau sponsors 4-H work, and that the youth group is not limited to rural girls and boys. City children also have 4-H projects, such as homemaking, crafts and gardening, she added.

The annual Christmas party was discussed and will be held Dec. 21 at the home of Mrs. Myrtle Hickman, 45 Terrace lane. A gift exchange will be held, and games and refreshments served.

The major lesson, "Christmas By the Yard," was presented by Mrs. Hickman, Mrs. Fifield and Mrs. Helen Cuvor. Gifts that can be made for the entire family were shown, and instructions were given on making them. Mrs. Fifield showed a chef's apron, kitchenaid, pencil case and headbands that are easily made. Mrs. Cuvor showed a lace apron, organza gown, golf club mitts and a gingerbread-man centerpiece, and Mrs. Hickman a styrofoam centerpiece, bill apron from a dish towel and a terra cloth poncho.

Games were played, and Mrs. Margaret Toddoff was the winner.

A late dessert course was served by Mrs. Ruebhausen and the co-hostesses, Mrs. Doris Wilson and Mrs. Rose Tirpak. The other members present were Mrs. Lillian Adams, Mrs. Hazel Atkinson, Mrs. Elvora Barnhart, Mrs. Maxine Hacke, Mrs. June Hubert, Mrs. Lorraine Joshi, Mrs. Dolly King, Mrs. Norma Jean Rasmussen, Mrs. Ted Waller, Mrs. Lorraine Craig, Mrs. Vyvonne Durbine and two guests, Mrs. Dorothy Ray and Mrs. Mary Chesney.

INSTALLATION, HOLIDAY PARTY FOR CIVIC GROUP  
The Bellefonte Civic and Improvement Association held its annual Christmas party and installation Saturday evening at the American Legion Post 115 hall. It was attended by 28 persons.

A pot luck supper was held before the ceremonies, and the hall was decorated in angels and Christmas trees. The table held a white Christmas tree trimmed in pink ornaments and colored candles lit the table.

The retiring president, Francis Herman, installed V. A. Harolan as president and Harolan in turn installed Howard Smith, 314 S. Broadway, as secretary.

Herman announced that the children's party will be held Dec. 21 at Frohardt school, and judging in the home lighting contest will be on Dec. 28 and 29. The winner of the contest will be awarded a trophy.

Next meeting of the association will be Jan. 4 at 7:30 p.m. at Frohardt school.

### BROWNIE INVESTIGATURE

Brownie Troop 114 held an investiture ceremony Wednesday afternoon in the home of Mr. and Mrs. William McCain, 314 S. Broadway avenue.

### Former Rep. Kennedy To Seek That Office

Former State Rep. Leland J. Kennedy today announced his intention of seeking the office of state representative from the 53rd District, subject to the April 10 primary election. Kennedy, a Democrat, has previously served eight years in the Illinois General Assembly from the old 47th senatorial district, which included Madison and Bond counties. A veteran of world war II, Kennedy resides at 526 Washington avenue, Alton, with his wife and two children. The 53rd representative district consists of Madison county. Three representatives are to be elected to two-year terms in 1962.

# 25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

Dec. 3, 1936

Paul Greisy, superintendent of Community high school, announced yesterday morning that it has been definitely decided to conduct night school classes again this year for the benefit of adults who desire instruction in special courses. The decision was arrived at Tuesday evening after he and a committee of the board met and checked the number of applications received to date. Fifty-two adults, most of whom are employed in the various industries here, have registered and several more are expected.

The annual election of officers of the DeMolay Mother's Circle took place Tuesday evening when the regular meeting of the group was held at the Masonic Temple. Mrs. Anna Mueller heads the list as president, succeeding Mrs. Clara Summerton, and the following will assist her: Mrs. Emma Russell, vice-president; Mrs. Leila Johnson, secretary; Mrs. C. R. Turner, treasurer, and Mrs. Leta Ward, chaplain. Others present at the meeting were Mrs. Abbie Fox, Mrs. Verna Stuart, Mrs. Ida Wood, Mrs. Beulah Rupp, Mrs. Nellie Dodge and two new members, Mrs. Mae Robertson and Mrs. Gusta Pendleton.

The annual Christmas party of the Dorcas class of the First Baptist Church will be held Thursday evening, in connection with the regular monthly social and business meeting of the class which has been postponed until then. The hostess for the occasion will be Mrs. Sherman Elledge and the party will take place at the home of Mrs. Elledge.

**Bi-State Agency Board Approves Transit Study**

The Bi-State Development Agency board of commissioners Thursday afternoon approved a \$100,000 contract for a survey expected to help pave the way for a unified mass transit system for the entire metropolitan area.

Approval authorized the New York City firm of W. C. Gilman & Co. to proceed with a study of the assets of the 15 privately owned transit companies now serving the area. Bi-State proposes to buy the existing firms, then establish a publicly owned system.

Two representatives of the Gilman firm met with the board's transit committee following the regular board meeting and presented a detailed outline of the survey to be made. The contract calls for completion of the study by next March 31.

Cost of the survey is to be met by funds provided by six municipal governments, including St. Louis, St. Louis county, Alton, Belleville, East St. Louis and Granite City. The Missouri units each pledged \$50,000, and the others \$5000.

The survey is the first step toward the proposed single system, which would be financed by the sale of revenue bonds.

The commissioners, meeting at 2 p.m. in St. Louis, did not choose a chairman to replace who recently resigned from the board. Instead, acting chairman C. M. Ross appointed a nominating committee to select a candidate for election at a later meeting.

**Accident Charge Filed**  
Charged with failing to yield right-of-way Thursday afternoon was Leon Monk, 33, Lovejoy, who posted his driver's license as bond. Monk's northbound car on Grand avenue collided with an eastbound auto 200th street operated by Calvin Cobler, 38 St. Louis. No injuries were reported.

### Expect Capacity Crowd At Yule Wrapping Show

A capacity crowd is expected at the Granite City high school auditorium tonight at 8 o'clock when the 16th annual Christmas Wrapping Show, under the direction of Eugene L. Alassi, is presented.

The show, offered as a free public service by the high school art department, will feature gift wrapping demonstrations by Alassi, art education director in the Granite City school system, and a display of hundreds of holiday decorations.

Shown will be creations of some 800 junior and senior high school art students, including a variety of styrofoam carvings and flocked evergreen centerpieces. Fifty of the latter will be given away at the show, which is free to the public.

Alassi, who started the program in 1945, will show attractive and practical wrapping and decorating ideas for Christmas packages of various shapes and sizes.

The student objects displayed will fill much of the auditorium and stage, and unheretofore in formal attire will guide visitors among them. Well over 1000 home decoration ideas, both interior and exterior, will be shown.

In recent years, the annual holiday show has drawn a standing-room-only crowd, and this year's is expected to be no exception.

The 50 large seasonal centerpieces on display will be awarded to persons in the audience during the show. Alassi said, emphasizing that the public is invited to attend and that no tickets are necessary.

### Pig Is Special Guest Of Madison Lions Club

When the Madison Lions club's intra-club fund raising competition ends next week, the champion money getter will be richer by one roasting pig, and the loser will have to fatten it for him.

In the contest, club members are competing with each other. The prize is a live pig, currently in the possession of Mike Sayak, chairman of the fund drive.

At the regular weekly meeting of the club last Friday night, the pig was "special guest." He escaped his cardboard container, turning the meeting into a pig-chasing affair.

### Will Undergo Surgery

Mrs. Eula Pentecost, 2432 Benton street, entered St. John's Hospital in St. Louis today preparatory to undergoing facial plastic surgery for the second time.

### IMPORTANT NOTICE! TO THE PEOPLE OF THIS COMMUNITY

Principal Fred Noth said the nostril sewing fumes were noticed immediately after a sonic boom with reports made to his office from all sections of the building.

City and school authorities were notified, and an Illinois Power Co. crew was summoned. The odor was throughout the neighborhood along West 20th street and no leaks were found in the building on the vicinity.

### Children's Home Seeks Applications

"Although we have no more than the usual number of children who are available for adoption," says Miss Jeanne Godfrey, supervisor of the Illinois Children's Home and Aid Society's adoption office in East St. Louis, "we must have a wide choice of families from which to select the right parents for each baby."

"Because adoptive homes are needed for children of every race and nationality, we are enrolling both white and Negro couples to come to us. Of the 160 children placed for adoption by this Society each year, approximately 80% were white children and 20% were Negro children," she explained.

In encouraging applications from couples who would like to adopt a baby, Miss Godfrey emphasizes that there are no rigid "requirements" which prospective parents must fulfill. Couples should be happy, contented people who could accept and love an adopted child as their own. They should have made medical examinations of their inability to have a child of their own. Also, they should be able to add a member to the family without undue financial strain.

For more information, interested couples should write to Miss Godfrey, Supervisor, Illinois Children's Home and Aid Society, 153 Murphy building, East St. Louis.

### 595 Pupils Dismissed Friday Due To Fumes

Source of a gaseous odor which resulted in dismissal of 595 pupils at Washington grade school at 2:05 p.m. Friday has not been determined.

Principal Fred Noth said the nostril sewing fumes were noticed immediately after a sonic boom with reports made to his office from all sections of the building.

City and school authorities were notified, and an Illinois Power Co. crew was summoned. The odor was throughout the neighborhood along West 20th street and no leaks were found in the building on the vicinity.

"Taking part in the building inspection after the pupils, 30 teachers and six cooks and custodians had been dismissed were School Supt. Harold Kaiser, Board President Robert Springer, School Engineer Marvin Dean, Principal Noth, City Inspector Jack Ficker and the power company crew. The boilers were restarted after it was determined the building was clear.

It is possible, Dr. Kaiser said, that the fumes were blown into the area by a south wind. Industrial plants in the vicinity were checked and reported they had no fumes escaping.

### Brick Sills Damaged

Vandals tore freshly laid brick window sills out of two houses Thursday night that are under construction on lots 87 and 88 on Colgate avenue in Lueders Park Estates subdivision.

**Mrs. Sheppard Recovering**  
Mrs. Winifred Sheppard, 3005 East 23rd street, is slowly recovering at DePaul Hospital in St. Louis from a severe heart attack which she suffered Nov. 28.

### Postmasters Explain

## Greeting Cards With First Class Postage Handled First

Theodore Overbeck of Granite City, Harry R. Johnson of Madison and Charles Simmons of Venice said today, "It's Christmas every day in the post office from now on."

They offered several hints on how to mail Christmas cards and gifts to insure prompt and safe delivery before Dec. 25th. Use four-cent postage on Christmas cards.

"Sent by First Class mail, they are sorted and delivered first and if you include your return address on each envelope, they will be forwarded in the event of a change of address, or if they are undeliverable, they will be returned to you."

"Also, you can write a personal message on the Christmas cards sent by First Class mail, whereas only your signature is authorized on cards sent at the three-cent unsealed Third Class rate."

"Avoid careless packing of your gifts. Use strong cartons wrap in heavy paper, and tie with sturdy cord. Mark packages containing breakables gifts, 'Fragile'—'Handle With Care'."

Put an extra label carrying the recipients and senders name and address inside every package.

In conclusion, the postmasters said, "By taking a little extra care with your Christmas mailings right now, you'll avoid disappointing friends and loved ones. The post office is fully prepared for the big Christmas mail rush, but through your co-operation in mailing early and often, as suggested by the National Improved Mail Service program, there'll be less danger of some Christmas cards and packages not being delivered before Christmas."

## Safety Council Will View Film Wednesday

An off-the-job safety film, "Ten Long Minutes," will be presented at the noon luncheon meeting of the Quad-Cities Safety Council Wednesday at the Elks Club, Council President Merrill L. Cox announced today.

The movie, to be obtained and shown by Alfred J. Weider, will be bought by the council for use of local civic clubs and other organizations desiring to promote safety, if deemed suitable by the council.

Cox said the council's program to promote safe holiday driving will also be planned at the luncheon, and new standing committees for the coming year will be appointed.

## GC Police Disagree With Several SIU Suggestions

Deceptions to recommendations for the Granite City police by the Southern Illinois University government study team were made Friday by Police Chief Raymond Willard and Chief of Detectives James R. Lowder.

Both chiefs pointed out the department, like others in the city, is hampered by a shortage of manpower and limitations on funds.

"We agree with some phases of the report and its recommendations for the department, but I'll never go for one-man patrol cars at night," Chief Willard said.

He explained the department is operating with one-man cars during daylight hours, but at night, two men are needed in each car.

At an example, Chief Willard and Lowder cited the recent capture of a pair of burglars inside a supermarket.

"One of them," Chief Lowder said, "was waiting inside the back door and had a steel bar had been alone and entered the door, he would have been badly injured or killed and the pair would have escaped. With two officers there, the capture was made."

Chief Willard added that often, with the present manpower problem, all police patrol cars are busy. "If a lone officer had come upon the situation and radioed for help, it could have been possible that none would have been immediately available. Discussing the SIU recommendations for the department, Chief Lowder said the department is operating with one-man cars during daylight hours, but at night, two men are needed in each car.

He added that he overlaps shifts with the detectives in order to keep the division busy. The division, just as the uniformed officers, work overtime as needed to complete investigations and handle cases underway. The division handles misdemeanors as well as felonies, and maintains files on all such reports along with a detailed motion picture file which was termed "excellent" by SIU.

As in the regular police department, the division is hampered by the shortage of record keeping personnel, the chiefs remarked.

GO TO CHURCH SUNDAY

## St. John Lutheran Pageant Scheduled

Pre-Christmas Advent pageants will be featured at all three of the Wednesday evening mid-week Advent services this month at St. John Lutheran Church, St. Clair avenue, the pastor, Rev. Samuel Boda, has announced.

The first will be presented in connection with the worship service Wednesday, Dec. 6, at 7:30 p.m. It will be entitled "God's Love Through the Ages" and written by George Schenk and Robert Wunderlich. The pageant will be in seven scenes, depicting the world's need for the Christmas event.

Cast in the roles of Old and New Testament figures will be members of the Sunday school young people's Bible classes and the senior department. The group will give the Scriptural account, costumed and an pantomime, against appropriate backdrops within the church. Supplying the narrative will be Quiller Hines, who has done the historical background and setting from the Church's reading lectern, and the pastor, who will read from the pulpit and also will deliver the brief sermonette.

There will be Christmas hymns by the children of the Sunday school during the course of the service and a number of them, including "Hark! The Herald Angels Sing" to the manger during the last scene. These gifts are to be delivered later to the Protestant Welfare Association for Christmas baskets and especially for needy children.

The senior church will present the Christmas hymn "Before the Pealing of the Stars," written by Dr. John Boda, professor of music at Eastern State University in Tallahassee, a brother of Rev. Boda; and Mrs. J. C. Cull will be producer of the pageant and teachers of the Sunday school and women's society will be in charge of costuming.

Mrs. Anna Riess, 87, dies at home yesterday.

Mrs. Anna Mary Riess, 87, died at 5 p.m. yesterday at her home, 2210 Kirkpatrick homes. She had been ill for some time and was hospitalized for three weeks last month.

Mrs. Riess was born at Macomb, Ill., and resided at New Baden before moving to Granite City 10 years ago. Her husband, Fred, is a retired farmer.

Survivors, in addition to her husband, are three sons, Lester, Orville and Glenn Riess; two daughters, Mrs. Fred (Alma) Breyer and Mrs. Arthur (Viola) Lindner; and two brothers, Oscar and John Reinhardt, all of Granite City; and 17 grandchildren and 18 great-grandchildren. Funeral arrangements are given in the obituary column.

## 113 Christmas Food Baskets

(Continued from Page 1)

gan at 1:30 p. m. with a flag ceremony by Intermediate Troop 117, Neighborhood Chairman Mrs. Mary Massman extended a welcome to some 200 persons in attendance. Council President Mrs. Eubanks also attended the festival.

Christmas food baskets made up by Neighborhood One were presented to Capt. Mildred Walker of the Salvation Army. Appearing on the program were a cha-cha group directed by George Kayich, a square dance group directed by Mrs. Charles Wambaugh, and Sheila and Sharon Oranovich, who presented a specialty number.

The entire group sang carols, directed by Miss Dorothy Hinson, and representatives from each troop joined in the singing of a large Christmas tree. Mrs. Zetta Mell was program chairman.

## Literary Drama Program

Seven Granite City high school speech students, Kathleen Cros, Bob Butler, John Miller, Sheryl Glotki, Carolyn McTavren, Bob King and Bill Lierman, presented "St. Louis Shines Through Its Literary Lights" last week before the Wednesday Club of St. Louis. Miss Mary Blackburn, speech director, accompanied the group. The program was a follow-up to the Granite City history given in dramatic form last year. St. Louis history was traced through the writing of Shirley Seifert, Winston Churchill, Sally Benson, Fannie Hurst, Tennessee Williams, Eugene Field and Sara Teasdale.

## Pre-Roundup Overnight Encampment Held

Sixty-one senior Girl Scouts of the River Bluffs Council, which will receive its charter on Jan. 1, took part in a pre-roundup overnight encampment Friday and Saturday at Camp Keok in Belleville.

The girls selected were assigned in seven patrols, each composed of representatives of different districts or towns in the council.

Local girls were—Patrol I, Margaret Juhaz, Catherine Parker and Mary Jane Zimmer; Patrol IV, Pam Bradley and Kathleen Bravo; Linda Ouchowski, Kathy Harsh and Judy Matras; and Patrol VII, Hedy Brinkmeyer, Karen Cooper and Norma Ridenburgh.

The pre-roundup training was in preparation for the national gathering in July 1962 at Button Bay state park, Vermont.

Patrons for the overnight encampment included Miss Dorothy Hinson of Madison and Miss Betty Anderson of Cahokia, both of whom attended the 1959 national Roundup at Colorado Springs, Colo.

## Accident Charge Filed

Three eastbound cars on 21st street collided Friday at 5 p.m. between Iowa street and Washington avenue. Police said Hugh R. Bertrand, 52, of 1616 Sixth street, Madison, struck an auto driven by Virginia R. Green, 31, of 2119 Washington, pushing the Green vehicle into a third car driven by Manfred Jordan, 51, of 2105 Monroe street. Bertrand was charged with following too closely and posted \$11 cash bond.

## Shed Fire

Firemen were called at 2:50 a.m. Saturday to extinguish a fire of undetermined origin which had broken out at a frame shed owned by Melvin Thomas, 1719 Union avenue. No estimate was made of the loss.

## Mrs. Laura Shastid Succumbs At Age 85

Mrs. Laura Shastid, 85, of 2617 West 22nd street died at 4:30 p.m. Friday at St. Elizabeth Hospital, where she had been a patient three days. She had been ill for the past five months.

Mrs. Shastid, a 39-year Granite City resident, was born in Oregon, Ill. Before coming here, she resided at Norwood, Mo., where she was a member of the Order of Eastern Star Chapter 61. She belonged to the Granite City Reorganized Church of the Latter Day Saints.

Her husband, James William Shastid, preceded her in death in 1938. Surviving are three daughters, Mrs. Mable Scott of Granite City, Mrs. Lucy Clough of Beacher City and Mrs. Helen Durall of Middletown, O.; 13 grandchildren and 17 great-grandchildren.

Funeral arrangements are given in today's obituary column.

### United Fund Goal Still Can Be Reached If All Respond

United Fund directors are right in concluding that the current drive goal can be achieved. Although the campaign unquestionably is lagging, success is within reach if all give the fund the priority that it deserves.

The yearly solicitation is essential for continued operation of this community's vital service and welfare agencies. The present goal was set realistically and represents only what is needed. It is clearly up to Quad-Cityans to respond.

Contributions should be sent in by those who have not given at all, and by those who have not given their fair share. Even large contributors also may wish to mail in another check.

Just as joint efforts were made during the regular drive period, help from all is needed now. Attainment of the \$278,463 target would be an excellent Christmas present for the Quad-Cities, but it cannot be done without united, unselfish action.

### Christmas Idea—Invitations To Foreign Students In U. S.

With 50,000 foreign students destined to spend Christmas 1961 in the United States, Quad-Cityans and other Americans have an opportunity to brighten the holidays by inviting them to their homes.

Simplest method is for fellow students to invite them as their families' guests. Probably most universities will be happy to assist in contacting any remaining foreign students on behalf of families without children in college. Washington University traditionally has a large enrollment from other countries.

American homes during the festive Christmas season will provide a marked contrast to the near-deserted college campuses. Visits by such students can add to holiday enjoyment for both the hosts and their guests. And they can create a warmer, friendlier image of the United States in the hearts of many future foreign leaders.

### War Memorial Association Has Established A Lasting Tribute

Many groups are formed, but few go out of existence when their initial objectives are fulfilled. An exception is the Granite City Memorial Association, which has dissolved after establishing a strikingly beautiful fountain in Memorial Park.

Though gone, the association will not be forgotten, nor will the men of the armed forces whose wartime efforts have been recognized. The landscaped grounds and the lights of the memorial fountain, constantly changing in color as they shine upon the cascading waters, will serve as a lasting tribute.

### Sharing Of Mayors' Knowledge Can Aid All Municipalities

Mayor Maeras' suggestion to the Southwestern Illinois Conference of Mayors is sound and could prove extremely helpful. In urging that the group devote more time to reviewing mutual problems, he notes that newer municipal officials could benefit from the experience of those with longer tenures in office.

Illinois Municipal League discussions have

shown that, while utopia has not been reached, local cities are far advanced in their planning and accomplishments, compared with many communities. Difficulties met and solved here years ago still plague numerous small Illinois municipalities. Possibly the same is true on a lesser scale within the area covered by the mayors' organization.

By the same token, successful programs elsewhere could point the way to future Quad-City achievements. In any case, the administrative know-how developed by such officials as Mayor Maeras over a long period of years is valuable and should be used to the fullest.

### Reservists' Skills Should Be Fully Utilized

Reservists called to active duty this fall recognize the need for a strong military establishment and are willing and able to serve their country. Because they are already trained, it is important that their abilities be used to the maximum.

Reports reaching the families of men summoned from their homes, jobs or schooling indicate that many have not yet advanced beyond the non-productive pursuits assigned to inductees before recruit training drills. The older group's morale perhaps also has been affected by reports of temporary reductions in draft calls.

The entire reserve concept is that of an already-prepared force ready to go into immediate performance of needed skills, and the American military system is geared to specific skill assignments. For the good of the reserve program and the nation that it helps defend, we hope all recalled reservists will be given appropriate duties as quickly as possible.

### Growing Confidence In This Area's Economic Outlook

The holiday shopping season is moving into high gear and there are signs that it and subsequent months will be a time of brisk economic activity. Buying trends, which rise and fall with the level of consumer confidence, indicate wide anticipation of stable employment in 1962, especially the first half of the year.

Annual reviews and forecasts by Quad-City business leaders published at the close of the year, will pinpoint the probabilities with greater accuracy than is now possible. However, it is noteworthy that General Steel Industries, which reports sharply increased sales, is developing new products while at the same time preparing for an expected improvement in railway business. In another report made public this fall, Granite City Steel Co. cited favorable customer inventory factors and an almost certain rise in the sale of appliances and other steel-using products in the coming years.

A community's economy is subject to many influences. Nevertheless, a sound basis for optimism is evident here at present.

### Blind Association Here Soliciting Funds

Solicitation of funds by the Benevolent Blind Service Association is underway in the Quad-Cities area to aid the children of needy blind families and to provide the annual Christmas party and dinner on Dec. 21.

Guy Schubert, director of the association who is blind himself, said a door-to-door solicitation will be made throughout the area. "The blind will be joined by sighted persons of the Quad-Cities," he added.

Last year's Christmas party was attended by nearly 500 persons. This year it again will be held at the American Legion hall in East St. Louis. Mrs. Alfred Murphy of Granite City is manager of the association office in East St. Louis. Schubert pointed out the group aids blind persons in a 40-mile radius of East St. Louis through distribution of Braille Watches and Bibles and leader dogs. The animals are trained at a cost of \$150. The drive is to end Dec. 22.

### Evans Participates In Intercollegiate Debate

William Evans III, Simpson College sophomore, was one of four from the college to compete in an intercollegiate forensic conference at Iowa City Thursday through Saturday. There were 150 students from 25 universities.

In addition to the debate, students participated in oratory, extemporaneous speaking and oral interpretation competition. Evans is a history major and is the son of Mr. and Mrs. Paul A. Evans, 1229 Clark avenue. Simpson College is at Indianola, Ia.

## THE PASTOR SPEAKS

CHAPLAIN BILLY H. COX, Engineer Depot

Today let us turn our thoughts to patriotism. Patriotism is love for, loyalty to, and appreciation of one's country. Daniel Marsh said, "Patriotism is one of the noblest sentiments and one of the most sovereign instincts of a good man." We saw patriotism in the actions of the 292 soldiers who won the Medal of Honor in World War II. Their actions were performed out of love for country.

Patriotism demands the best that is within us. It demands that we be willing to give of our lives for our country. It takes a large amount of love to perform out of love for country.

### Yule Gifts To Local Newberry Employees

Christmas cash gifts have been presented to employees of the local Newberry store by Manager V. L. Rhodes, he disclosed today.

In keeping with a long-established policy of the company, over 560 U. S. stores, several warehouses and six district offices are distributing gifts to Newberry employees totaling \$600,000. The amount each employee receives depends on length of service.

Rhodes also pointed out that Newberry's has in force a retirement plan, as employees become eligible, it is paid by the company up to the first \$2000 of annual earnings, and by an employee-company participation plan on earnings exceeding \$2000. In addition, Newberry provides all eligible employees with company-paid life insurance policies and shares in the cost of their sickness, hospital expense and surgical benefits insurance. Under a stock purchase plan, several thousand employees have become owners of their company's capital stock.

### Council Agenda Brief; May Touch Tax Problem

The agenda for tonight's Granite City council session at 8 o'clock contains only routine matters, Mayor Davis reported. However, the council may be called upon to adopt a resolution calling for an extension of existing rates and lending its support in a possible court test suit to determine if the Hodge-Butler Act of 1951 applies to municipal taxes.

The agenda at the time of its preparation listed requests for two street lights, a \$50 claim against the city for tree damage to a home on Edwards street, a \$400 claim by Melvin Pasch for damage to a bulldozer at the city dump and a partial report on air pollution.

### Dean's Roll At College

Gary White, son of Rev. and Mrs. Howard E. White, 2809 Edison avenue, currently enrolled at Hannibal-LaGrange College, Hannibal, Mo., has been named on the dean's honorable mention roll for the first nine weeks of the semester. This places him in the second 10% of the student body with a grade point average of 2.8880.

### C. of C. Budget To Be Presented Tomorrow

Approval of the new budget for the December meeting of the Tri-Cities Chamber of Commerce board of directors tomorrow evening, according to President Paul H. Lichtenberger.

Other matters scheduled for approval of committees and committee chairmen for the coming year, and reports from the committees on planning and zoning, membership, light industry, programs, industrial development, sewage and drainage, and the state legislature.

Also to be presented at the meeting is a special report on the Granite City urban renewal program by David W. Morgan, chairman of the City Planning Commission.

The regular monthly dinner meeting is scheduled for 6 p.m. in the dining room at Cline's restaurant.

## Soccer Program For Boys Will Begin Saturday At YMCA

The initial meeting of boys between the ages of seven and 15 who are interested in learning the fundamentals of soccer will be held at the local YMCA Saturday at 2 p.m.

The program will include films, demonstrations of actual competition and tournaments for boys, who will be divided into four age groups.

Coordinator and instructor will be Ruben Mendoza, a former Olympic soccer player who currently is a star with the St. Louis Kutis team, national amateur or open cup champions for the past six years.

Mendoza said classes will be moved outside on Saturdays when the weather permits. He also plans to work with youths on Tuesdays from 4 to 7 p.m. once the program is established.

First league play is set for next March and will continue through May, making use of a local junior high school athletic field. Boys will be divided into four age groups, A-boys (7-9), B-boys (10-11), Midgets (12-13) and Juveniles (14-15).

## 800 Attend Maryville Home Sports Benefit

An estimated 800 persons turned out Saturday night at the Granite City High school gym to witness a "sports night" for the benefit of the Maryville Children's home, highlighted by a basketball game between Ragans Lumber Co., defending Classic league champions, and a Granite City park district all-star team, won by Ragans 70-60.

Bob Miller, awarded the game's "most valuable player" trophy led all scorers with 30 points for Ragans. Teammates Dave Hrysko and Bill Page scored 27 and 12, respectively.

Art Borchers led the all-stars with 20 points. Bill Haven added 15 and Clarence Hand 13. The all-stars opened up a 25-15 first-quarter lead, but Ragans held the score at 37-37 by halftime and took the lead for keeps early in the third quarter.

After on the program was a demonstration of sport judo by the Granite City Judo club, a weightlifting exhibition by Steve Carich and baton twirling by Linda Ohms.

## Pistol Team Organized Annets Post 187, Granite City

Granite City has organized a non-profit corporation entitled, Annets Post 187 Granite City, for the expressed purpose of gaining a better knowledge on the part of such citizens of the safe handling and proper care of firearms. The charter lists Charles A. Farnley, Gladys Rutherford and George M. Gordon.

# Trojans Defeat Host Sparta 73-69, Entertain East St. Louis Tuesday

Trailing briefly at the outset, Madison's basketball forces grabbed an early lead and held on to it Saturday night at Sparta as they defeated their hosts, 73-69.

However, the victory may have been costly to Coach Earl McClellan and his squad, Trojan Charlie Venarsky injured his knee as he crashed into the end of the small gymnasium and put out his hand to break his fall. He returned to action in the second half, but a blocked shot caused him considerable pain and he was taken out for the remainder of the contest.

Venarsky was wearing his arm in a sling at school today, and McClellan has scratched him as a probable starter tomorrow night when Madison meets the East St. Louis Flyers in their home opener.

"We were ragged on defense," remarked McClellan in review.

ing the Sparta game. "They got 33 points on free throws and 12 straight in the fourth quarter. We should have made all those last-period fouls."

**Freeman Gets 25**

McClellan started Venarsky, Don Freeman, Mark Gravelle, Fred Petty and Bob Haynes. Freeman led all scorers with 25 points and Gravelle and Ken Griggs each contributed 16 points.

Madison took a 21-16 first-period lead and slowly but steadily increased the margin until it led 58-49 going into the final quarter.

The hosts outscored Madison 20-15 in the fourth stanza but this was not enough. Madison led 55-29 at halftime.

Other Trojan scoring went as follows: Venarsky 1, Haynes 5, Charles Kosek 6, Petty 2 and Cecil Bell 2.

Madison's junior varsity lost 70-48. Coach Bob Page attributed the loss to lack of experience. Lonnie Brown was high scorer.

**Trojans Won Last Year**

If past performances are any indication of the future, Madison and East St. Louis should battle down to the wire tomorrow night. The Trojans edged the Flyers in the season opener a year ago, 53-51.

Both clubs will be shooting for their second straight win tomorrow night. The Flyers whipped Decatur MacArthur Friday night, 56-50.

East St. Louis is led by ex-footballers Jim Long, Rufus Jones and John Willis. Long provides the team's rebounding power and also is a capable scorer. Jones scored 17 points against Madison last year, while Willis saw limited action against the Trojans a year ago.

Tomorrow's jayvee game starts at 6:30 and the varsity encounter at 8:15.

## MORE ABOUT Crashes Include Fatality

cher to his face and will be in the hospital four or five days.

**Pedestrian Struck**

Mrs. Irene Colek, 50, of 1514 Sixth street, Madison, was hospitalized with lacerations to the right hip and hand and contusions to the left leg and right arm after being struck by a car while crossing Madison avenue at Seventh street at 8:30 p.m. Saturday.

The driver, Troy P. Morris, 57, of 302a Madison avenue, said he was going north on Madison when Mrs. Colek ran across the street, from west to east. He was unable to stop in time, he said.

Mrs. Colek, struck by the left front end of the auto, was taken by ambulance to St. Elizabeth's hospital.

**Man Injured Today**

John A. Boyle, 52, St. Louis, was fined \$5 and costs for following too closely after his

panel truck struck the rear of a northbound auto operated by Assistant Postmaster Edward J. Meng, 60, of 2624 Madison avenue, at 21st street and Edwardsville road at 9:15 a.m. today. Police said Meng, who had stopped to make a left turn, suffered minor injuries.

**Dehns Hurt Sunday**

Elmer A. Dehn, 32, and Jean M. Dehn, 24, both of 1325a Niedringhaus avenue, reported injuries yesterday at 11:25 a.m. after his auto, southbound on Cleveland blvd., was struck on the left side by a car driven west on 21st street by Elizabeth Lahay, 52, St. Louis, who was stopped for failing to yield the right-of-way. She was released on \$11 bond.

**Five Injured Today**

Five Granite Cityans were injured in a three-car crash at 6:30 a.m. today at 23rd street and Madison avenue.

The southbound car of Wesley E. Thompson, 34, of 3008 Myrtle avenue, struck the eastbound car of Norma J. Grindstaff, 30, of 2128 Illinois avenue, and the impact knocked the Grindstaff vehicle into a southbound car driven by Harry E. Reber, 60, Route One, police said.

Miss Grindstaff and her mother, Mrs. Laura Grindstaff, 60, of the same address, complained of injuries as did three passengers in the Thompson car, Opal Thompson, 32, 3008 Myrtle avenue, Richard Kins, 32, of 3202 Kirkpatrick homes and Betty Mayfield, 30, of 2401 Madison avenue.

Mrs. Grindstaff reported pains in the lower jaw, right leg and ankle, and was admitted for observation at St. Elizabeth's hospital. Miss Grindstaff was x-rayed for injuries to her left hip; Betty Mayfield, both ankles and the left hand; and Opal Thompson, right knee and skull.

Thompson was charged with driving too fast for conditions. He posted his driver's license as a southbound car on route 111 a mile north of Route 40.

They were taken to St. Mary's Hospital, East St. Louis.

The other driver, William Breidenbach, 65, Rural Route One, was uninjured. State police said Krall made a U-turn.

**Car Enters Ditch**

The westbound auto of George F. Arnold, 19, of 2077 Sken street, Madison, left Route 169 a half-mile east of Route 111 at 5 a.m. Sunday, injuring him and a passenger, Jerry Jordan, 17, of 1537 Collinsville avenue, Madison. State police said the vehicle went into a ditch.

Jordan was treated at St. Elizabeth's hospital for a three-inch forehead cut and possible head injury.

**Injured At Mitchell**

Clarence Walker, 23, East Alton, was taken by ambulance to Wood River Township Hospital for treatment of chest injuries suffered at 2 a.m. Saturday when his auto missed a curve and left a Bypass 66 detour a quarter-mile west of the Mitchell crossing.

## Friedman's, Ragan Win Classic Openers

A five-point scoring margin in the second half enabled Friedman's Furniture to trip Bowland's Furniture in the opening game of the park district's Classic Basketball league season Thursday night at the Prather school gym.

Defending league champion Ragan Lumber Co. had less trouble in winning from Spangler Insurance in the second game, 60-44.

Clarence Hand scored 23 points for Friedman's, which led 23-28 at halftime. Bill Haven topped Bowland with 16 markers.

Ragan took a 20-16 first-quarter lead and never relinquished the advantage. The winners led 38-32 at intermission. Bob Miller scored 24 points and Bill Ohendorf had 22, both for Ragan. For Spangler, Jim Reiter and Art Borchers 11.

Thursday's league schedule finds Ernie & Annie's playing Venice AC at 7 p.m. and Spangler opposing Friedman's at 8:15 p.m.

## Prather Jr. High School Christmas Program Tonight

Annual Christmas program of Prather Junior high school will be presented at 7:30 this evening in the school gymnasium. Principal Walter Klein has announced. The school's band, vocal music and speech groups will participate, and the department and office staff have assisted in the preparations.

Faculty directors in addition to Principal Klein are Miss Sue Mayhew, band director; Mrs. Susan Kichman, speech instructor; Mrs. Isabel Schmidt, vocal music teacher; and Milburn Smith, art instructor. The combined program is given instead of individual department concerts.

Entitled "Prather Junior High School's Christmas Gift to Its Friends," the evening will begin with Walter's "Christmas Greetings" by the school band. The girls' glee club will present "Let Us Light The Candles," an Israeli folk song, "O Little Town of Bethlehem," a Gregorian chant; and "O Little Town of Bethlehem." The band will play "Canticle De Noel," followed by a Ben Hecht play, "The Wonder Hat."

Members of the play cast will be Jo Ann Squires, Susan Wardlow, Connie Dean, Christine Taylor and Marcee Schell.

### Delinquent Property Tax Sale Dec. 11

The annual sale of Madison county property on which current and back taxes are delinquent will begin at 9 a.m. next Monday, Dec. 11, outside the second floor office of County Treasurer Dan W. McGee at the county courthouse in Edwardsville.

Deputy Treasurer William T. Carson will conduct the sale of property on which an estimated \$100,000-plus in taxes is due.

Following the sale of one piece of property in Hackett township, a recess will be called. The sale will then resume, with property on the 10-year delinquent list placed before bidders. The "saver" sale property will be sold to the highest bidder, regardless of the amount of taxes due.

The "regular" sale bidders, on the other hand, are required to submit the lowest interest bid, based on a maximum of 12%, and then pay the full amount of back taxes due on the property.

Owners have two years from the date of the sale in which to redeem their property, and delinquent taxpayers are given the opportunity to pay back taxes up until the sale of their property is concluded, provided they also pay a penalty, interest on the back taxes and advertising and sale costs.

**GC Steel Tops Monthly Ingot Production Mark**

Recent additions to the blast furnace and open hearth furnace departments have enabled Granite City Steel Co. to produce more tons of ingot steel in October, and again in November, than in any previous single month in the company's history, according to Nicholas P. Veeber, president and chairman of the board.

Veeber pointed out that the high rate of steel production, 123,000 tons in October and 131,000 tons in November — was not required by the demand for steel, but by the need to increase the amount of semi-finished steel in the company's production "pipeline" and to prepare for the expected pickup in orders early next year.

The company has been adding to and improving its steelmaking, rolling and finishing departments under a long-range expansion plan. Granite City Steel's pig iron capacity was increased this year with the replacement of an old blast furnace with a new and larger furnace, and with the construction of an additional battery of six coke ovens.

Some of the company's seven open hearth furnaces also have been enlarged to produce more steel per batch, Veeber said.
